

DSS/MOST Arranged the Workshop on  
“Lead Assessor Training Course”

Dr. Suthiweth T. Saengchantara, Director-General of the Department of Science Service (DSS) presided over a workshop on “Lead assessor training course” which was held on 11-12 January 2016 by Bureau of Laboratory Accreditation (BLA). A purpose of the workshop is to enhance assessment efficiency of the lead assessor according to ISO/IEC 17011 by a way of training from international accreditation bodies such as A2LA, UKAS, and NATA of United States, England, and Australia, respectively in honor of Ms. Roxanne Robinson of laboratory accreditation bodies in United States (A2LA) being a lecturer at Grand Pacific Sovereign Resort & Spa hotel, Phetchaburi.
